

CLASSIC CARRIERS WITH A HIDDEN ADVANTAGE

ASP Handcuff Cases are a benchmark blend of the finest materials in a series of clean, functional designs. Each case incorporates an integral back pocket and auxiliary handcuff key. Duty, Double and Federal carriers are available in Black Basketweave, Ballistic and ASPtec.

Duty and Federal cases are produced using inset construction. Double and Combination carriers have elastic side walls. Tactical carriers are constructed from ballistic nylon and incorporate a Velcro flap.

Investigator and Combo cases in Black and Ballistic are concealable and attach rapidly to the belt with one-direction snaps. Combo carriers retain a Tactical Baton or LED flashlight with Chain or Hinge Handcuffs.
