

A TOTAL SYSTEM

ASP restraints may be rapidly serviced or repaired with a Maintenance Kit. Lock Sets may be replaced.

Cutaway Handcuffs and Lock Sets clarify the operational principles of ASP tactical designs.

The Instructor Folio illustrates the relationship between various handcuffs in the ASP family. Differences in bow, Lock Set, model and frame construction are shown.

18K Gold ASP Presentation Handcuffs and Prestige Cases are ideal as awards, for gifts and at recognition or retirement ceremonies.
