

# ASP FACTS

PRODUCT: Tri-Fold®

## ADVANTAGE:

Tri-Fold disposable restraints are compact, easily carried and rapidly applied. Specifically designed to law enforcement standards, their wide, brightly colored straps have no sharp edges. Tri-Folds open to oversized loops of incredible strength. Their forged stainless steel locking bar has an extremely smooth pull. The locking mechanism is covered and secure. The recessed identification plate has a textured writing surface.

## SPECIFICATION:

- Specifically designed as a police restraint
- Three position diamond folds
- Locking block hinge
- Compact
- Easily carried
- Rapidly applied
- No sharp edges
- Wide, brightly colored straps
- Extremely strong, oversized loops
- High strength teeth
- Smooth pull
- Forged stainless locking bar
- Covered locking mechanism
- Pick resistant
- Single pull tightening
- Pull hole in each strap
- Recessed identification plate
- Textured writing surface
- Vapor-Loc re-sealable packaging
- Optional pull Ring
- Optional Duty Carrier in four finishes
- Optional Clip-On Case
- Optional Carabiner
- Optional Scarab® Restraint Cutter

## PERFORMANCE:

Tri-Folds store and carry smaller, yet open larger than other disposable restraints on the market. Their incredibly smooth, single ring pull simultaneously tightens both straps. The Tri-Fold is stronger, more pick resistant and easier to remove than any other disposable restraint.

## SALES STRATEGY:

*Compare the compact folded dimensions, oversized loops, smooth pull and extreme strength of the Tri-Fold to other disposable restraints on the market.*
