

# Elite® ... Brilliant Illumination

- Brilliant Lifetime LED
- Constant-On, Alert & SOS
- Replaceable Battery Pak
- Forged Aluminum Body
- Auto Tension Tri-Ring® Clip

Elite Wearable Lights® introduce PowerPak® technology to high intensity personal lighting. They are bright, reliable and conveniently clipped. The Elite series incorporates a Softouch® switch and integrated circuit with constant-on, alert strobe and SOS modes.

A replaceable battery pak is added to the award winning 3-Mode design.

These lights are a brilliant companion. Constant illumination where and when you need it.

The lifetime Elite LED produces a high efficiency, non-deteriorating, solid state beam. It provides soft illumination with a 180° viewing radius that is visible over one mile.

Elite. The standard of quality in personal lighting.
