Dear Mr. Resch:

We have completed our evaluation of the metallic handcuffs you submitted for testing in accordance with *NIJ Standard-0307.01* and are pleased to inform you that your model **H200**, as tested, complies with the standard.

At your request, or the request of another party interested in compliance of your handcuffs with *NIJ Standard-0307.01*, the National Law Enforcement and Corrections Technology Center will provide verification of compliance along with the test results for the above model.

Sincerely,

Lance L. Miller
Deputy Director
Manager, Testing Services
